## A Quick Intro to KORONA POS

We're excited to tell you more about what makes KORONA a great solution for your business. Your account manager will fill you in on more specifics, but use this guide to learn some of the basics.

**60-Day Money Back Guarantee**

**24/7 Support**

**No Processing Agreements**

**No Forced Contracts**

**No Hidden Fees or Surcharges**

**Easy to Implement**

**Unlimited Free Trial**

**Personalized Product Demo**

## Main Features

- **Inventory Management:** Set custom stock notifications, automatic reorders, vendor relations, product assortment, and much more with powerful inventory assistance.
- **Cloud-Based System:** Your data is all stored in secure remote servers, so you can access the back-end system from any location with your login credentials. Cloud software also updates in real-time and is reflected immediately at your terminals.
- **Product Reporting:** Stay in the know on your performance with hundreds of customizable KPI reports and metrics. Reports are generated in seconds, breaking down complicated data in digestible pieces.
- **Hardware Options:** KORONA offers a wide range of hardware options, including desktops, tablets, kiosks, modern payment machines, printers, and scanners.
- **Processing Flexibility:** We'll work with you to find the cheapest credit card processing solution on the market. We integrate with all major solutions, leaving you with more choice.
- **CRM and Loyalty:** The software comes with a point-based loyalty program, and we integrate with various third-party software for more in-depth CRM.
- **Employee Management:** Monitor all staff performance with individual reports, keep track of payroll and scheduling, calculate tips and commissions, integrate with QuickBooks Online, and set custom cashier permission levels.
- **eCommerce and Multi-Location:** Expand your business seamlessly with our eCommerce integration and multi-location scalability. Data imports are simple, and sales can be broken down as a whole or by specific vertical/location.
- **Flat-Rate Pricing:** A KORONA subscription comes with zero hidden fees, surcharges, or penalties. There are no contracts required and no penalty for cancelling your subscription.
- **Included Customer Support:** Our support team is entirely in-house and available by phone, chat, or email. Our phone lines are open 24/7 for after-hours emergencies. Plus, they'll help you with training and installation.

## Open API Solution

Develop and build with KORONA POS. Give customers a powerful software stack that brings partners new clients from niche industries with seamless integrations.

### Meet New Customers

KORONA POS has thousands of customers worldwide, and our client base continues to grow. We serve a diverse array of businesses and work hard to connect our partners with them.

### One Integration, Dozens of Verticals:

KORONA POS is designed for a variety of business niches, including retail, coffee shops, fast-casual, museums, theme parks, and more.

### Powerful REST API:

Make the developing process simple with REST API. Communicating with our software is easy, creating a seamless experience for the user.

### Back-End and Front-End API:

All integrations are open on the backend and frontend so users can pull or push data at any time.

### Free Long-Term Promotion:

We'll actively promote any new integration for existing customers. And we'll inform all incoming clients of each about additional integration options.

## Key Features of KORONA POS

<b>KORONA Studio</b>	Customizable back-office features allow you to view data, reports, and inventory from all your stores in one dashboard. Make any adjustments to employee or security permissions from any store location.
<b>Inventory Management</b>	With powerful inventory assistance, set custom stock notifications, automatic reorders, vendor relations, product assortment, and much more.
<b>Cloud-Based System</b>	Data is all stored in secure remote servers so you can access the back-end system from any location with login credentials. Cloud software also updates in real-time and is reflected immediately at the terminal.
<b>In-Depth Analytics &amp; Data Reporting</b>	Understand product and sales performance with hundreds of customizable KPI reports and metrics. Reports are generated in seconds, breaking down complex data in digestible pieces.
<b>Various Hardware Options</b>	Choose from a wide number of reliable hardware options, including desktops, tablets, kiosks, modern payment machines, printers, and scanners.
<b>Processing Agnostic</b>	KORONA POS software is compatible with all major payment solutions, allowing customers to choose the best processing solution for their business.
<b>CRM &amp; Loyalty System</b>	The software comes with a point-based loyalty program, and we integrate with various third-party platforms for more in-depth CRM options.
<b>Employee Management</b>	Monitor all staff performance with individual reports, keep track of payroll and scheduling, calculate tips and commissions, integrate with Quickbooks Online, and set custom cashier permission levels.
<b>eCommerce</b>	Expand sales channels with seamless eCommerce integration. Data from online purchases is fed directly into the POS and broken down with advanced analytics and reports.
<b>Flat-Rate Pricing</b>	A KORONA POS subscription comes with zero hidden fees, surcharges, or penalties. No contracts are required and there's no penalty for canceling a subscription.
<b>24/7 Customer Support</b>	Our entirely in-house support staff is available by phone, chat, or email. The support team will help you with all necessary training and installation. Plus, phone lines are open 24/7 for after-hours emergencies.
<b>Multi-Store/Franchise Management</b>	Grow and scale your business with multi-store management features. Monitor data and inventory across all locations through one central back-office, KORONA Studio.
<b>Event Management</b>	Sell tickets, gift cards, memberships, and merchandise all under one point of sale system with endless options for customizing group visits, promotions, and special rates.
<b>Self-Checkout Kiosks</b>	Contactless kiosks reduce lines and the need for cashiers. They integrate with RFID for lightning-fast check-outs.

## KORONA POS Perks
